

PHAs/Entities Invited to Submit a Response to the Request for Qualifications

In May 1999, a Request for Proposals (RFP) was advertised nationally. The RFP was to provide contract administration services for project-based Housing Assistance Payments (HAP) Contracts under Section 8 of the United States Housing Act of 1937. Proposals in response to this RFP were ranked and rated and awards were made. Contract Administrators were not awarded in the following states/jurisdictions:

| | |
|-----------------------------|-----------------------|
| Arkansas | Mississippi |
| California | Nebraska |
| Connecticut | North Carolina |
| District of Columbia | Utah |
| Florida | Virginia |
| Illinois | Wyoming |
| Louisiana | |

Instead of issuing another Request for Proposals (RFP), we have decided to announce a Request for Qualifications. The Multifamily Hub Directors were asked to submit recommendations for contract administrators. Once these recommendations were made, conference calls were held to discuss the Request for Qualifications. Prior to the submission of a proposal, the following information will be submitted for review.

- **Previous Participation Information**
- **Reasoned Legal Opinion**
- **Past Performance**

Once we receive the documents and obtain the necessary approvals, a proposal similar to the procedures outlined in the RFP located at www.hud.gov/fha/mfh/rfp/sec8rfp.html will be submitted for ranking and rating.
